

Pet Friendly Flooring Options

More than 6 in 10 of all U.S. homes have pets, because of this Walk On Me Flooring realizes these furry friends can be tough on your floors. We want to make sure you do NOT waste your money or time, so here are 3 of our top choices when selecting new floors. These options are sure to fit in your budget and style.

Tile & Stone:

This type of flooring can hold up to whatever your pet dishes out. They are water resistant, stain resistant and easy to clean. Tile & Stone works well for pets of all ages.

Laminate Flooring:

Excellent choice of flooring for any pet owner, it resembles hardwood flooring with a “wear layer” that rests on the top. This layer alone is extremely durable. Of course it will wear down eventually over time; however it helps to shield against scratches and pet stains. Laminate also can come in waterproof to help with those unwated spills.

Luxury Vinyl Flooring:

Easy for your pets and your budget, with a high end look. Vinyl comes in several forms and colors. With Vinyl it can withstand many of life’s challenges that come along with having pets, and it wont scratch or tear easy. It also holds well agains those messy accidents. Most Vinyl is water-proof.
